## CLAUDIA CAMPAGNOL

Singer, songwriter and multi-instrumentalist **Claudia Campagnol** is a unique talent with a broad crossover appeal and a huge international potential. Just 4 years old, she started singing and playing the piano, and she wrote her first song when she was 12.

The critically acclaimed debut album **I'm Strong** (2019) shows a deeply personal music creator who, with unique groove and feeling, goes straight after the listener's innermost soul. The album was nominated for the **Danish Music Awards Jazz** in two categories: 'Best New Act' and 'Best Vocal Album'. The album was also released in Japan (2020).

Claudia is a versatile and charismatic artist with an incredible voice and a very personal musical expression. Her vocals are extremely powerful, yet warm and soulful, showcasing a unique talent for improvisation and vocal arrangements.

Claudia Campagnol has a deep-rooted affection for jazz fusion, but for some time she has wanted to try her hand at other genres and step out of her previous musical comfort zone.

Since 2020, Claudia has released a number of catchy singles – most recently **Confused** (May 2022) and **Love You All The Way** (Sept. 2022) – where she steps into a funky Pop/Soul/R&B crossover universe that suits her amazingly, and on November 2, 2022, her long-awaited second album will be released.

Claudia Campagnol is known for her strong live performance, singing her way into the heart of her audience with an ease, positive straightforwardness, and an enormous talent. She has performed with great success at festivals in e.g. Denmark, Sweden, Germany, France, Italy, Ukraine and Egypt.

Her regular band includes some of Denmark's and Sweden's most talented young musicians: Carl Mörner Ringström (guitar), John Venkiah (keyboards), Andreas Hatholt (bass), Jacob Hatholt (drums) as well as Claudia herself (vocals/keytar).
